

## Miyazaki Multilingual Disaster Distress Call Center is now open.

Miyazaki City has started operating a call center that can interpret telephone calls in many languages in the event of a natural disaster.

### 1. About the call center

When disaster strikes Miyazaki City, such as an earthquake or heavy rain, and you want to ask the city hall for information about the disaster, please call here. The call center interprets phone calls in multiple languages. \*Cannot be used when there is no disaster.
